

IMAGE PARISTHITHI MITHRA AWARD -2023

IMAGE (IMA Goes Eco-friendly) Award: for the Best Biomedical Waste Management Practice in an IMAGE Affiliated Healthcare Establishment.

IMAGE (IMA Goes Eco-Friendly) Awards: Recognizing Outstanding Biomedical Waste Management Practices in IMAGE-Affiliated Healthcare Facilities.

In acknowledgment of your unwavering commitment to assisting IMAGE in implementing biomedical waste management services in healthcare facilities, strictly in compliance with the Biomedical Waste Management Rules, we are delighted to announce the presentation of awards at the upcoming IMA State Conference on November 11th and 12th, 2023, in Thiruvalla. These prestigious awards will be granted in various categories:

- Hospitals (50 beds and above)
- Hospitals (below 50 beds)
- Clinical Laboratories
- Dental Clinics
- Outpatient Clinics
- Other Healthcare Establishments

The selection criteria for these awards will consider the following essential factors:

- Proper Segregation
- Adequate Storage Facilities
- Positive Relations with Collection Staff
- Timely Payment
- Accurate Record-keeping
- Effective Barcode Scanning
- Creation of an Eco-Friendly Environment on the Premises
- Accessibility for Collection Vehicles

To identify deserving healthcare facilities for these awards, we have created a Google form for award applications. Healthcare institutions interested in receiving this recognition are encouraged to submit their applications through the linked Google Form. Your active participation and support in this initiative are highly valued.
