To

All the Affiliated Healthcare Establishments

Subject: Discontinuation of the use of Nitrile Gloves

Dear Sir/Madam,

Greetings from IMAGE [IMA Goes Eco friendly]

This is to bring to your kind attention that we have observed a growing concern regarding the disposal of nitrile gloves generated from various Healthcare Establishments. The significant increase in the quantity and nature of nitrile gloves has made it extremely difficult for us to manage this category of biomedical waste in compliance with the required BMW standards.

In view of the above, we regret to inform you that we will no longer be able to collect nitrile gloves as part of the biomedical waste collection service henceforth. We kindly request all affiliated HCEs to make alternate arrangements for the safe and compliant disposal of nitrile gloves as per applicable regulations.

We regret any inconvenience caused and seek your understanding and cooperation in this matter.

For any clarification, please feel free to contact our office.

Yours Sincerely,

Dr. Abraham Varghese
Chairman IMAGE IMA

Dr. Krishnakumar P.V
Secretary IMAGE IMA
